

MEDICINES CONTROL COUNCIL

COMMUNICATION WITH COUNCIL AND COMMITTEES CONTACTING COUNCIL OR COMMITTEE MEMBERS

TO ALL APPLICANTS

Kindly be advised that it has come to the attention of the Medicines Control Council that representatives from applicants or stakeholders engage directly with Council members and / or Expert Committee Chairpersons or their members on matters relating to submissions for the registration of a medicine / medical device or approval of a clinical trial.

The Medicines Control Council wishes to remind all applicants and stakeholders that communication with the Council or any of its expert committees must to be directed to the secretariat, and not to individual members of Council or its expert committees. In particular, direct telephonic or electronic communication with individual Council members or members of expert committees should be avoided.

The appropriate address for all written communication is:

Medicines Control Council
Registrar of Medicines
Private BagX 828
Pretoria
0001

Direct contact details for key members of the secretariat can be accessed from the MCC website at <http://www.mccza.com/Contact/KeyContacts>
